MEMORANDUM FOR: DCI Representative for NSSD-1-83

FROM: Director of Central Intelligence

SUBJECT: Lack of Progress in NSSD-1-83 (Technology Transfer)

I talked with Clark about your recent memorandum and the lack of progress in NSSD-1-83. I would like to update him on this at my weekly meeting tomorrow. What's happened in the meantime, is it clear that anybody's in charge and what are the prospects that a coherent response will be formulated by the October 31 target date?
